

Power of 50: Ready to Go Green

http://bulletin.aarp.org/yourworld/powerof50/articles/power_of_50_ready.html

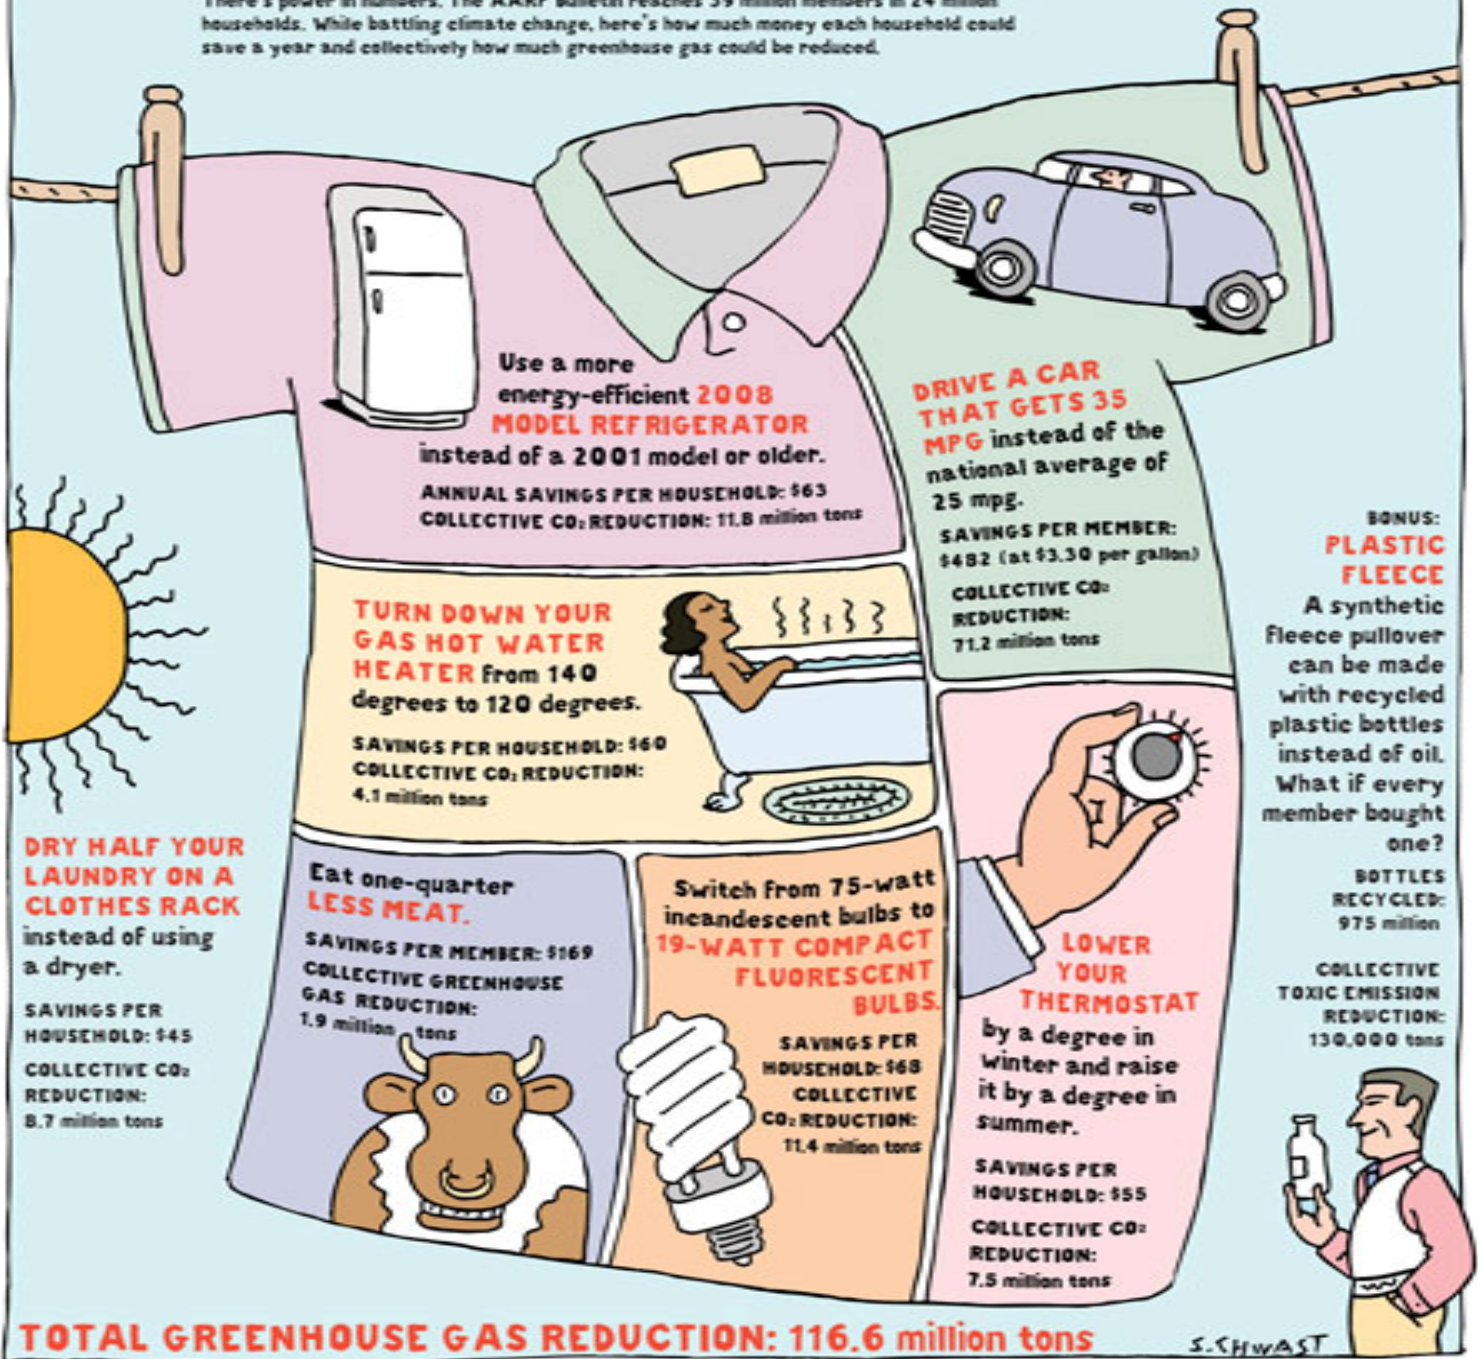

READY TO GO GREEN

AT LEAST 50 PERCENT OF AMERICANS WHO ARE BOOMERS OR OLDER SAY THEY BUY ENVIRONMENTALLY SAFE PRODUCTS.

There's power in numbers. The AARP Bulletin reaches 39 million members in 24 million households. While battling climate change, here's how much money each household could save a year and collectively how much greenhouse gas could be reduced.

Power of 50
