

CAPITOL PEAK

# Capitol Peak Asset Management

---

Powering America's Growth Through Public/Private Partnerships

# The Need

---

**Spur Job Creation  
& Economic Growth**

Bring private investment to infrastructure projects across rural America – leading to job creation

**(Re)build Critical  
Infrastructure**

Attract new sources of capital and expand financing opportunities for vital utilities and industries

**Foster Public/Private  
Partnership**

Enhance the exchange of information and facilitate co-investment between the public and private sectors

# The Capitol Peak Solution

---

## Connect Key Participants

Develop a sustainable platform connecting critical infrastructure projects, U.S. Government, and investors

## Create Investment Opportunities

Create investment products to augment traditional lenders and expand the capital available for projects

## Leverage Industry Expertise

Bring together those with financial and industry expertise within key sectors and across regions

---

↓

## Incorporate Risk Intelligence into Portfolio Management

# The Impact

---

## New Sources of Capital

Pensions, endowments, foundations, and other institutional investors participate in critical infrastructure investing

## Expanded Access to Capital

Projects are more readily and broadly funded and government programs can be leveraged to increase overall policy effectiveness

## The Foundation for Real Prosperity

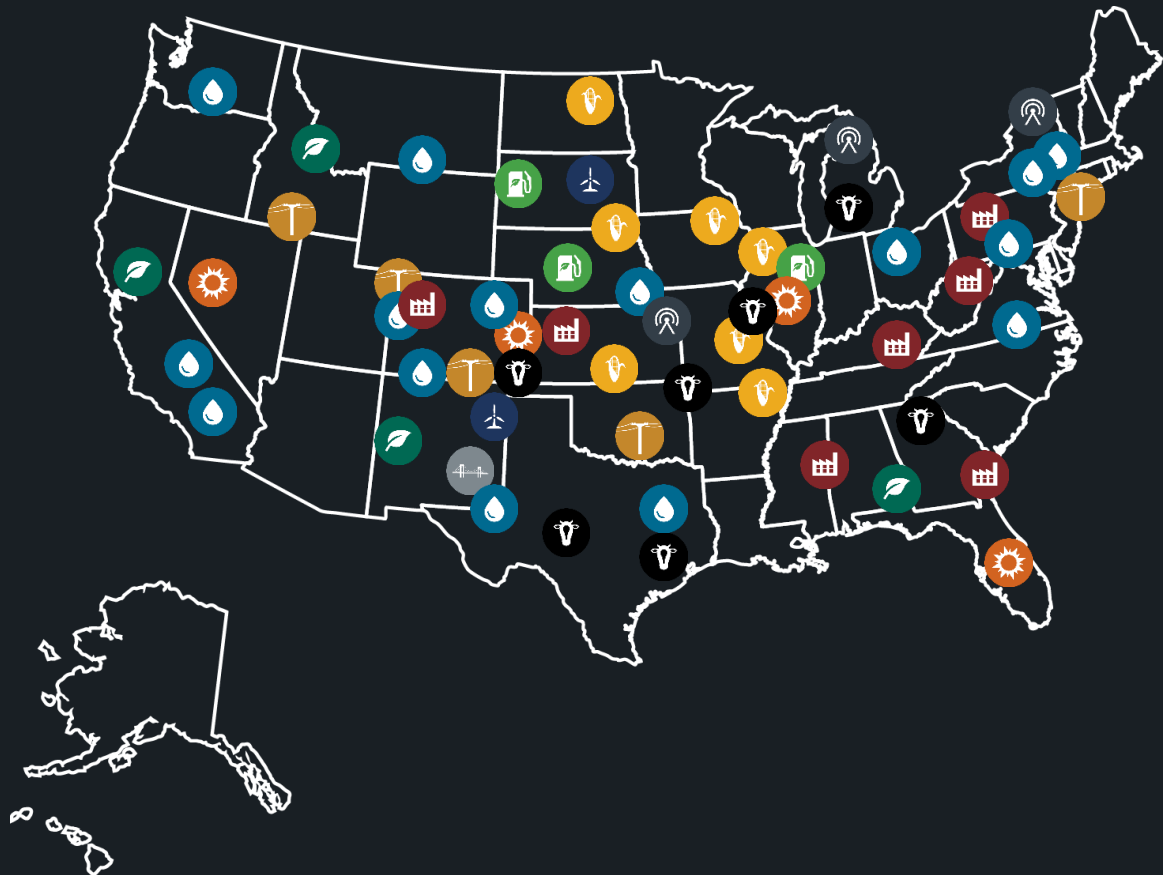

Infrastructure improvement leads directly to job creation, economic growth, enhanced educational opportunity and an overall increase in the strength of communities across the U.S.

# America's Critical Infrastructure Projects

This confidential presentation is provided for informational purposes only. This presentation does not constitute an offering of any security, product, service, or investment vehicle. If any offer of securities is made, it shall be pursuant to the applicable offering documents prepared by or on behalf of the issuer of the relevant securities, which would contain material information not contained herein and which would supersede the information in this presentation in its entirety.

Were an opportunity to invest presented, any decision to invest in the applicable securities should be made only after reviewing, among other things, the discussion in the applicable offering documents regarding investment considerations, conflicts of interest, and risk factors. The purchase of securities issued by or related to any investment vehicle or product sponsored by Capitol Peak Asset Management, its affiliates, and any principal of any of the foregoing (the foregoing, collectively, the “CPAM Persons”) is expected to be suitable only for eligible investors for whom an investment in the securities does not constitute a complete investment program and who fully understand and are willing to assume the risks involved in making the investment.

The data underlying the information contained in this presentation have been obtained from third-party sources that are believed to be reliable, but no CPAM Person shall be liable for any errors in such underlying data or computations based thereon, or the consequences of relying on such data or computations. The recipient of this presentation should not take any action solely in reliance on information contained in it. While CPAM uses reasonable efforts to ensure the information contained herein is accurate and up-to-date, no representations or warranties are given as to the reliability, accuracy or completeness of the information. CPAM does not accept any liability for any loss or damage that may arise directly or indirectly from any use of or reliance on such information.

The information in this presentation is illustrative and is not intended to predict actual results, which may differ substantially from those reflected herein. No representation is made that the information provided in this presentation is or will be complete or adequate, or that it would be useful in evaluating any proposed transactions or investment vehicles. Certain information contained in this confidential presentation may constitute “forward-looking statements,” which can be identified by the use of forward-looking words such as “may,” “will,” “should,” “expect,” “anticipate,” “target,” “project,” “estimate,” “intend,” “continue,” and “believe,” and the negatives and other variations of these words. Actual events, results, and/or performance relating to the proposed transactions and investment vehicles may differ materially from those reflected or contemplated in such forward-looking statements.

No assurance, representation, or warranty is made by any person that any of the aims, assumptions, expectations, objectives, and/or goals described in this presentation will be achieved. Nothing contained in this presentation may be relied upon as a guarantee, promise, assurance, or representation as to the future, and no recipient or any other person should rely on any forward-looking statement in deciding whether to participate in the transactions or the investment vehicles described in this presentation.

All of the information in this presentation is presented as of the date indicated on the cover of this presentation (except as otherwise specified), is subject to change without notice, and may have changed (possibly materially) between such date and the date this document was received by a given recipient. No CPAM Person has any obligation to update the information in this presentation to account for changes subsequent to the date of this presentation or such other specified date. All rights to the trademarks listed herein belong to their respective owners and CPAM’s use hereof does not imply an affiliation with, or endorsement by the owners of such trademarks.

The presentation is intended for the exclusive use of the recipient and may contain proprietary, confidential, and/or privileged information. The receipt and retention of this confidential presentation by the recipient constitutes its agreement that it will keep this presentation confidential and use it only for the purpose of evaluating the proposed transactions and investment vehicles and not in any manner that violates applicable law (including, without limitation, applicable securities laws). It may not be shared with any third party without the express written consent of Capitol Peak Asset Management. Unauthorized duplication, disclosure, distribution, or public display are strictly prohibited. The use of this presentation in certain jurisdictions may be restricted by law. Prospective investors in the Fund should inform themselves as to the legal requirements and tax consequences of an investment in the Fund within the countries of their citizenship, residence, domicile and place of business.
